# The BETHEL OXFORD COUNTY CITIZEN

Volume LXXII—Number 16

BETHEL, MAINE, THURSDAY, APRIL 21, 1966

\$3.75 a Year—10 Cents a Copy

Roger Dock is visiting Mel Hentress in Arlington, Va., this week.

Karen Brown is visiting this week with Mrs. Hilda Crocker in Portland.

Mr. and Mrs. Wilbert Bartlett of Hampden were in town on Saturday.

Andy Davis is visiting Mike Connolly in Portland several days this week.

Mrs. Alton Luxton and Mrs. Hazel Wheeler were in Augusta on Thursday.

Richard and Danny Davis flew to Lake City, Fla., on Tuesday for a few days.

Mr. and Mrs. Francis Berry and family are spending this week in Bluehill.

Mrs. Philip W. Daye is an observation patient at the Rumford Community Hospital.

Peter Kozzyk is spending the week with Dr. and Mrs. Richard Bush in Belmont, Mass.

Mr. and Mrs. Charles Chapin and family are spending a week's vacation in New York.

Mrs. Guy Gibbs and sons are spending this week visiting Mrs. E. J. Hinckley in Bluehill.

The second pre-school clinic will be held at the Methodist Church at 9 a. m. April 28.

Miss Dorothy Perkins of Portland spent the week end with Mr. and Mrs. Ernest Perkins.

Mr. and Mrs. Albert Buck, John and Linda, are spending this week's vacation in New York.

Mrs. Elizabeth Chayer is spending this week in Newport, R. I., visiting her husband, Arthur Chayer.

Mr. and Mrs. Harold Clukey and family have moved to Bryant Pond. They recently acquired the Howard Averill place there and are making extensive alterations and repairs.

## DISTRICT 44 DIRECTORS APPROVE PLANS TO SPONSOR CONSERVATION STUDENTS

The Directors of School Administrative District 44, Monday evening, in a meeting at Andover, approved sponsoring a group of not more than 50 eighth grade pupils to attend the conservation school at Bryant Pond for one week following the close of regular school year.

Further details on applications to attend will be sent to parents from the schools. Tuition of \$17 will be borne by the student. Action on tuition pupils was delayed pending a report of the Finance Committee.

It was disclosed that a federally sponsored cultural program, "Music in Maine," will be brought to the children of grades 4 through 8 next year. The program will be presented at Bingham Auditorium, Bethel, on a regular school day, with pupils being transported by bus from district schools.

The District Directors have been invited to a special showing of school furnishings at the Paris Mfg. Co., South Paris, this Thursday evening.

Curriculum Supervisor Ralph Ryder presented a written report on his activities since assuming his position Feb. 14. Among other new projects, he is studying, with a math committee, selection of math program for the coming school year. He is also preparing a survey on descriptions of present teaching positions as they are carried out by the present staff.

This is expected to be helpful in determining the type and amount of non teaching, as well as teaching, duties performed regularly in the 11 schools.

The hazards reported at various school buildings in the district pertaining to fire are being adjusted, and necessary repairs have been undertaken. Some of the repairs will be done during the summer vacation recess due to extensive time needed for the jobs.

## BURGESS NAMED KEEP MAINE GREEN CHAIRMAN

Summer L. Burgess, of Bethel manager, Timberlands and Forestry, Oxford Paper Company, Rumford, has been appointed chairman of the Keep Maine Green Committee. He succeeds the late Ernest A. Rand, Chamberland, chairman until his death last October.

Announcement of the appointment was made by John H. White, Plant Manager of Keyes Fibre Company, Shawmut, and chairman of the Maine Committee of American Forest Products Industries, Inc., sponsors of the Keep Maine Green and Tree Farm programs in Maine.

A graduate forester from the University of Maine, Mr. Burgess brings many years of professional experience to the Keep Maine Green program.

Following graduation he worked as a forester with the former Hollingsworth & Whitney Co., Winslow, now Scott Paper Co. From 1950 to 1955 he was employed by the Maine Forest Service as a service forester working out of Dixfield and since 1955 has been with the Oxford Paper Company, Rumford.

The Keep Maine Green Program is part of a nationwide educational campaign designed to enlist public support for forest protection and improved fire prevention.

Lester Blekford, chairman of the Building Committee, offered a schedule of events concerning the proposed school building, listing the date of the referendum as May 19. The brochure describing the school is being prepared for distribution by mail on or about May 7.

Insurance bids for district property protection will be received Friday.

The next meeting will be held on the Freeman-Waterhouse Campus of the Bryant Pond Conservation School, at 7:30 p. m., May 2.

## DAYLIGHT SAVING TIME STARTS SUNDAY MORNING

Daylight Saving Time will be effective next Sunday morning, April 24. Setting all timepieces ahead one hour Saturday night will avoid confusion. The return to Standard Time will be on Oct. 30.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The selectmen have been confronted with a couple of problems at the new fire station. The board has listened to the various sides of the issue and they have formulated policies. I believe it is quite obvious that the policies will not meet with the approval of some people. I would like to stress a point regarding the decisions. The selectmen gathered as much information as was available and they devoted a great deal of time to the problem in the hope that their decision would be the best that they could make. The first item is concerned with the washing of vehicles at the new station. There will be no washing of vehicles except those that belong to the Town of Bethel or the Bethel Fire Department or directly employed by the Town of Bethel or the Bethel Fire Department. The policy regarding the use of the meeting room at the rear of the fire station has not changed. The meeting room will not be available for groups until the room can be segregated from the rest of the station. A platform and stairs will have to be built before the rear door can be used. Whether you agree with the policies or not, I hope you will follow them.

The situation at West Bethel is vastly improved. After the new sewer was connected to the system three leaks were found and repaired. There is a certain fitting that has caused the trouble in 95% of the cases. Rather than wait until the weak spots cause trouble, all of the fittings are going to be replaced. I am certain that most of our problems will be solved when the proper materials are used for the fittings.

The selectmen have appointed me the chairman of Bethel Clean-up Week. The week of May 10 will be devoted to the clean-up campaign. The town vehicles will be available but a large amount of help is needed. I will welcome the assistance of any individual group or organization in the project. I will also welcome suggestions or ideas. There will be more details a little later with a complete set of rules.

Michael Houlihan

## CURTIS SPEAKS TO COUNTY DEMOCRATS AT BETHEL

Maine's Secretary of State Kenneth M. Curtis said Wednesday night, "Maine's government needs to develop a sense of purpose—a feeling for progress."

The Democratic gubernatorial hopeful said, "the state of Maine will not achieve the results we must by simply going through the motions." Mr. Curtis addressed the Oxford County Democratic Committee at Bethel's Odeon Hall.

He added, "I certainly want to go on record as saying that the State of Maine has on its payroll many highly qualified, industrious employees. However, without effective leadership and direction from the top, without coordination of activities and efficient administration, their efforts are frustrated."

A patch-work of State service

## DEMOCRATS AT BETHEL MEETING

Norman Mills of Greenwood, candidate for the Legislature, Severin Belliveau of Rumford, incumbent County Attorney, and vice-chairman of the County Committee, and Secretary of State Kenneth M. Curtis, candidate for Governor

created but a smoke screen of activity which gives a false image of progress. The truth is that services are unnecessarily duplicated in some areas and sadly lacking in others."

"The incumbent Governor in seven years of care-taking has simply floated with the current. Good government demands more."

"We can develop a feeling for progress if a good example is set. Strong, courageous, effective leadership at the top will bring forth similar attitudes at lower levels."

## CHILD HEALTH CONFERENCE NEXT THURSDAY

The second in a series of Child Health Conferences will be held on Thursday, April 23, at 9 a. m. at the Methodist Church.

## MISS CARTER OBSERVES 90th BIRTHDAY

Miss Frances P. Carter of Mayville celebrated her 90th birthday Saturday, April 16th. On Sunday she was honored at a family birthday dinner at her home. Those present were Dr. and Mrs. Richard Bush, Belmont, Mass., Ted Bush, student at Bowdoin College, Mr. and Mrs. Harry K. Carter, and Peter, Mrs. Albert Bean and family of Bethel. She was presented a beautifully decorated cake made by Mrs. Bean, and an ornate corsage from Mrs. Grace O'Brien.

The M. V. P. State Rally is being held in Bangor Friday and Saturday. Those attending from Bethel are Tom Davis, Allan Wolcott and Rev. Donald Hens.

Master's Manual Dave Thorne, Mrs. George N. Hens and Jean Hens attended the Red Sox ball game in Boston, Tuesday.

Reverend Sue Hens, daughter of Mr. and Mrs. Hens, celebrated her 10th birthday, Tuesday. Those present were Mary and Mrs. Sandra McHale, Freda Hens and Betty Thorne.

## NATIONAL LIBRARY WEEK

The annual observance of National Library Week at our public library has been of interest and importance.

The students of Crescent Park School in the seventh and eighth grades, at the invitation of the Librarian, entered an essay writing contest.

Two dozen essays were received and the group of women Librarian Trustees who acted as judges found them all so well and thoughtfully written that a decision was not easy.

Two of the winning essays are printed through the courtesy of editors of this newspaper. New books were given as prizes.

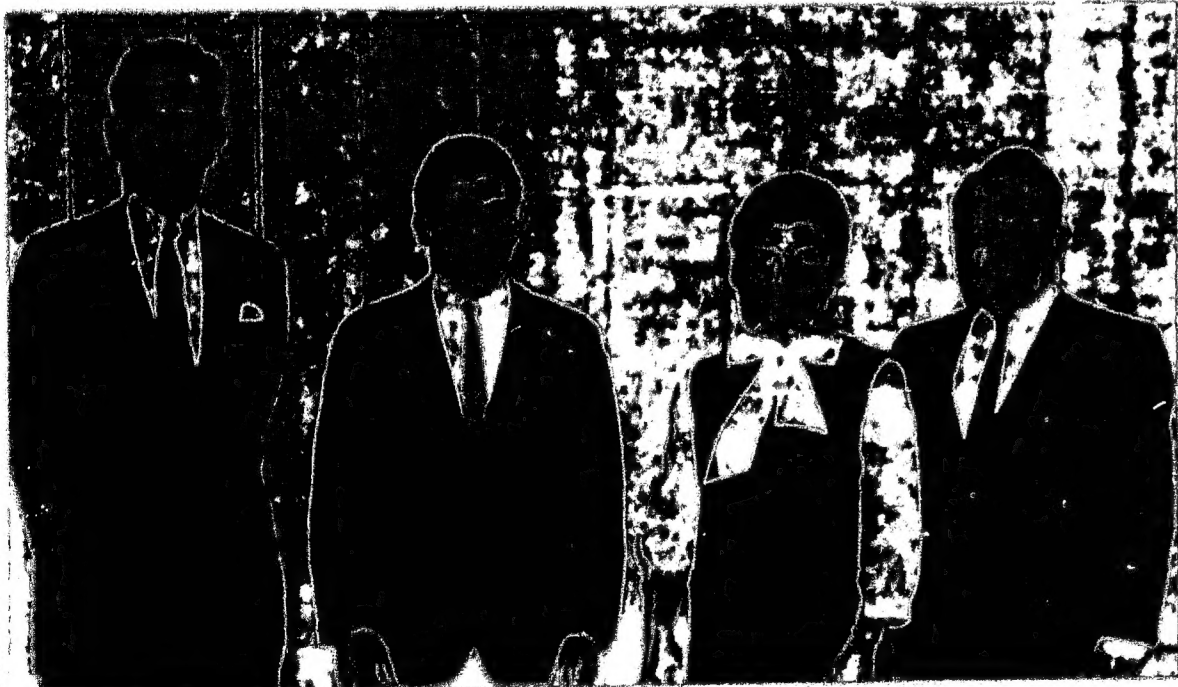

Fifth grade prize winners were Beverly Jackson and Seth Timberlake. Seventh grade prize winners were Sue Hutchins and Terry Wilson. Judy Angeline and Susan Pierce received honorable mention.

The family of the late Carl L. Brown, owner and publisher of The Oxford County Citizen, gave to the Bethel Library on this occasion a collection of books of that periodical since 1959.

To this Brown we are indebted for photographs, treasures and records of the Bethel Library Association, appropriate many years of free publicity given by the Bethel County Citizen.

## NOTICE

Permits are required for all open fires and incinerator approval certificates must be obtained for incinerator use. Residents of Bethel, Albany, and Mason should contact R. S. McMillin, Fire Chief, Bethel.

## OXFORD PAPER COMPANY AWARDS SCHOLARSHIPS

Four-year college scholarships worth \$200 each have been awarded by Oxford Paper Company to outstanding seniors at Stephens High School in Rumford, Acad. Academy in Bethel, and East Township-East Campus in East Forest, Ill. Three scholarships are awarded each year to sons of Oxford employees, two in Maine and the third at a location mill or office location outside the state.

Winners in this 17th year of Oxford Paper Scholarship competition are Brian K. Buck of Bethel, Marshall Todd of Rum-

ford and William Hens, Jr. of East Forest, Ill.

Buck is the son of Kenneth E. Buck, who is employed in the Rumford Mill Construction Department. The Gould Academy center will enter the University of Maine in the College of Technology next fall. He is 18 years old. His school activities included student council for three years, varsity baseball for four years, football for four years, a member of the year book staff and participated in the Senior play.

Hens is the son of William Hens, Jr. of East Forest, Ill.

## Library Essays

### WHY I LIKE TO VISIT MY LIBRARY

We are lucky to have a free library for pleasure and profit. This is a privilege.

When you make your first visit you will need to find the type of book you are looking for. The librarian is there for this purpose. She will gladly help if you need it.

I like very much to touch a new book. It is like a new pair of shoes. It needs to be broken in carefully. I think of all the hours the author worked to write this book for others to enjoy.

I can choose a book to read for pleasure. Or, I can borrow one that will help me learn about almost anything in the world. It doesn't matter if I am six or sixty years old, I can always find a book that will be of interest to me.

There are about ten thousand libraries in the United States and Canada. For this reason I know that I am visiting a very special and important place.

I think by visiting the school library I became interested in other libraries. In this way I will be more interested in all books and I will follow the habit all of my life. When I need a few hours of rest and something to enjoy at the same time it would be hard to find anything better than a good book from our town library.

The first public library in the

### WHAT THE LIBRARY MEANS TO ME

The library, to me, is a source of research, learning, and enjoyment.

As a source of study and reading, it is an excellent place to get information. When one is doing a research paper or a science project, the library has many very useful books from which one can get all the facts he needs.

As a place of learning, it answers many questions. If one has a problem and is not quite sure of the answer, more than likely he will find his solution at a library.

The thing the library in my opinion is most noted for, is its source of enjoyment. Many, many books are waiting in their special marked places, just waiting to be taken down and read.

There are all types of books: mysteries, comedies, animal stories, science, fiction, non-fiction, action stories and many more. This gives one a wide selection. Seth Timberlake

## CONSERVATION DISTRICT SUPERVISORS OFFER SCHOLARSHIPS

The supervisors of the Oxford County Soil and Water Conservation District again offers two scholarships for Oxford County teachers to attend the summer session at Bryant Pond.

The closing date for applications will be May 15, 1966. Any interested teachers may apply by writing a letter to Norman Gray, Chairman Oxford County Soil and Water Conservation District, South Paris. This letter should set forth the reasons why the teacher would like to attend the Conservation Education Workshop. The District Supervisors would also like to know if the applicant plans to live on campus or commute.

The course at Bryant Pond, the Conservation Education Workshop, carries three credit hours. This course provides background information and experience for teachers who wish to plan instructional materials in natural resource conservation.

The resident faculty is composed of Professor Robert Miller, Head of the Science Department at Gorham State College, and Dr. John Mudge, Head of Science Department at Farmington State College.

## SUC NIGHT PATROL ASSISTED 1360 MOTORISTS THIS WINTER

According to a tabulation made by the State Highway Commission, the night patrol which recently ended its winter tour of duty along Maine highways, assisted over a thousand motorists which were stranded in rural areas of the state.

The chief cause of trouble with the stranded motorists this winter, as it has been during past seasons, was an empty gas tank. The patrols carry a small amount of gasoline and give the motorist enough to reach the nearest gas station. Next most common cause of trouble was mechanical breakdowns, in which case the patrolman radiated for help and stood by until it arrived. Some motorists needed assistance in changing a tire.

Of those aided by the patrols 1,360 of the cars bore Maine license tags, 270 were registered out of state.

This was the 13th season that the night patrol has guarded Maine's main-traveled highways from the onslaught of sudden winter storms. The patrols covered about 2,000 miles of roads including 125 miles of Interstate Highway.

The major purpose of the patrols is to alert the plowing and sanding crews when needed. The men also carry enough sand in their trucks to cover icy patches on the highway in dangerous locations, and are prepared to aid motorists in distress.

Frank Flint and family returned to Fairfield, Conn., today (Thursday) after spending several days with Mrs. Henry Flint. Mr. Flint will be on the supervising faculty of the teacher training program at Yale University this summer.

Mrs. Marjorie Conner and Mrs. Betty Perkins were hostesses at a baby shower held in honor of Mrs. Marion Coolidge of Andover last Thursday at the home of Mrs. Perkins. ## 20 SECONDS WITH THE NAZARENE STORMS

When storm clouds flash with promised rain,  
 The sower thinks of thirsty grain  
 Depending on an all-wise God  
 To send more moisture for the sod.

When storm clouds darken o'er my way,  
 I would look up, and trusting say,  
 "Lord, help me grow and faithful be,  
 That I might bear some fruit for Thee."

—Pearl B. McKinney

Our house swallows and Phoebe are with us again.

Estes Yates called at Bryce Yates Sunday.

Steven Blanchard, Sharon, Robt. Anna Marie, Susan and Michael Packard, the hostess and the honored guest.

There will be a joint meeting Thursday, April 21, 1966, for Jackson-Silver Post No. 63, American Legion, and Auxiliary Unit, 7:30 p. m. All members are urged to attend.

REDUCE FAT

If your overweight is due to overeating and you want to get rid of that extra fat get our tablets called SLIMDEX. Available without a doctor's prescription. SLIMDEX will help you lose these extra pounds by decreasing your desire for food, not by starving you, but by simply eliminating the urge for extra portions. SLIMDEX costs only \$1.99 and is GUARANTEED to work or get your full money back. SLIMDEX is sold exclusively by Rosserman's Pharmacy - Bethel. Mail Orders Filled.

## NEW BOOKS AT OUR LIBRARY

"The Vermont Year Round Cookbook," by Louise Andrew Kent.

"A Woman of the People," by Benjamin Capps, begins with a girl who is captured at the age of nine and held by one of the most primitive Indian tribes, the Comanches.

"Hotel," by Arthur Hailey, a novel about a Great Hotel, author of "The Final Diagnosis."

"The Embezzler," by Louis Auchincloss. The scandal of this embezzlement brought down the delicately balanced structure of the Stock Exchange.

Junior  
"Tree in the Trill," by Clancy Holling. How ten men kept a tree they loved.

"Private Beach," by Richard Parker. - "suddenly the peaceful pattern of the children's lives are shattered when they learn that

## CARD OF THANKS

I want to thank everyone who sent me cards and notes when I was sick. They cheered me up a lot.

Jean Manson

their private beach may be taken away from them.

## Young People

"Empress of All Russia, Catherine," by Iris Noble. This tells the story of a "shy young princess from a minor German state who went to Russia with the hope that she would be accepted as the wife of the Grand Duke, heir to the Russian Throne."

## CARD OF THANKS

I would like to express my appreciation for the lovely cards and letters I received while in the hospital and thank you all. Rolly Chapman

Peter Hastings

Hastings graduated from Fryeburg Academy in 1933 and then attended Bowdoin College, graduating in 1937. He received his law degree from Boston University in 1939 and next studied at New York University Graduate School of Finance. He returned to his hometown in 1941 to join his family law firm, which was established over 100 years ago.

Peter Hastings is a member of the Maine and New Hampshire State Bar Associations, and currently practices in both states. He is also a member of the Oxford County and Carroll County Bar Associations and the Federal District Court of Maine.

Hastings successfully obtained the Republican nomination for Oxford County Attorney in 1954, but was defeated in the November election. In a statement made by him, he said, "In the last general election the complete Oxford County Republican ticket was defeated, but I don't look for this to be repeated. As a swing county, we can and must reverse that result, but it will mean a great many people must do a great amount of work. Being young and with the experience of this campaign, I certainly expect to be able to conduct the successful drive needed to win." Hastings is 30 years old and last time made a point of visiting nearly every mill and town in Oxford County.

A member of several civic organizations, Peter Hastings has been with youth and drive become well known in Oxford County Republican Circles. He will be a delegate to the District and State Republican Convention to be held in Augusta this week end.

# FROM OUR FILES

## 10 YEARS AGO

County Commissioner Warren Abbott of Bethel was appointed to the Advisory Council of the University of Maine for a five year term.

The 40th anniversary of the founding of the Bethel Fire Department was celebrated last night. The fire department was organized in 1826 and has since that time been a vital part of the community.

The W. H. Hastings house and the A. H. Hastings house on Broad Street were undergoing remodeling and repairs.

## IT'S THAT TIME AGAIN

Starting up and during the winter months of the year, the weather is generally to be expected but sometimes the results are disastrous. Fires are very rare in the spring and the wind is usually light.

If you cause a fire you may pay the bill to more ways than one. If a fire that you have started gets out of control it could do considerable damage to your own property.

You should always check your local ordinances before burning any material. Many towns have restrictions on the use of fire.

One of these one State laws requires that you get a permit before burning household trash or debris. These permits may be obtained from the Town Fire Warden.

When you burn trash you may burn it in a pile or in a container. The pile should be at least 100 feet from any building.

When you burn trash in a container, it should be at least 100 feet from any building. The container should be at least 100 feet from any building.

When you burn trash in a container, it should be at least 100 feet from any building. The container should be at least 100 feet from any building.

When you burn trash in a container, it should be at least 100 feet from any building. The container should be at least 100 feet from any building.

When you burn trash in a container, it should be at least 100 feet from any building. The container should be at least 100 feet from any building.

When you burn trash in a container, it should be at least 100 feet from any building. The container should be at least 100 feet from any building.

## 10 YEARS AGO

The Oxford County Branch of the National Association of Postmasters met at Bethel last night.

The Bethel Chapter of the American Legion held a meeting last night.

A WPA grant of \$400 for labor was allotted for repairs on the Green Hill Road and Mill Hill Road.

The W. H. Hastings house and the A. H. Hastings house on Broad Street were undergoing remodeling and repairs.

The new cement bridge over Mill Brook at the foot of Mill Hill was under construction.

The W. H. Hastings house and the A. H. Hastings house on Broad Street were undergoing remodeling and repairs.

## DR. ANAND MALAVIYA SPENDS WEEK AT RUMFORD COMMUNITY HOSPITAL

The Rumford Community Hospital has been designated by the Dharma Associates Foundation as one of two hospitals in the State of Maine to host a pilot project to bring large medical centers to rural areas.

Through this project Medical Specialists and residents of the Tufts New England Medical Center will each spend a week at the hospital consulting with the Medical Staff and Technical personnel of the hospital.

In many cases the visiting physician may have been exposed to community medicine and will be observed in the ways of management of the entire hospital.

The first such physician to visit Rumford Dr. Anand Malaviya, a native of India, graduated from Allahabad College in India and received his doctorate in medicine at King George's Medical College in India in 1951.

From 1951 to 1954 he interned and did postgraduate medicine in his country of India. In 1954 Dr. Malaviya came to the United States and did a year's residency at Salem Hospital in Salem, Mass.

He then came to Bethel, Maine, and in July, 1955, became a clinical fellow in Hematology at Tufts New England Medical Center Hospital.

He will continue his work at a Staff position and consult with Dr. Malaviya Pathology and Director of the Rumford Community Hospital Laboratory.

At the same time for that a week in the State Police office. This practice helps to keep in touch with the police and the community.

It is a great step in time to build something. Community is a great step in time to build something.
